GETTING BACK TO WORK

Protection and Social Distancing Ideas for...

Office | Warehouse | Retail
Hospital | Care Home

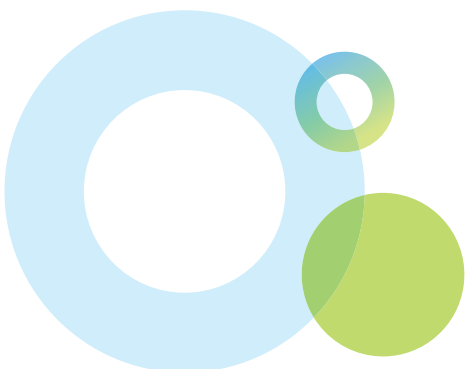

Coronavirus
COVID-19
Public Health
Advice

We have expanded our Advisory Signage and Social Distancing materials with ideas to cover customer and staff movements both internally and externally.

Whether that be focused on protecting staff, your customers or patients in your:

- Office
- Warehouse
- Retail
- Hospital
- Care home

Branding – We can also provide a creative artworking solution to brand all of the ideas aligned to your brand guidelines.

Please email hello@doggettgroup.ie for more information.

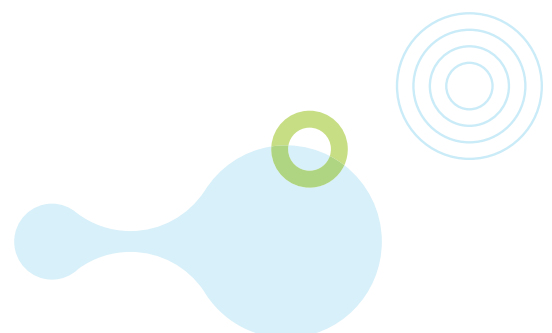

Site Survey, Production and Installation Support

Do you need help getting ready for reopening or are open and require support?

We can provide a one-stop shop 'Site Survey, Production and Installation' support for all your needs.

- **Survey / Audit** - We provide our reliable highly skilled team to help survey your site to ensure your needs are met.
- **Design** - We design all the collateral to your brand guidelines
- **Produce / Source** - We can source bespoke products and produce all the printed collateral.
- **Install** – We have a dedicated in-house installation team to expertly project manage and install – both inside and outside stores.
