MOST POPULAR NEW FUNDRAISER

RAISE FUNDS AND AWARENESS THIS CHRISTMAS!

- 12 sheets of deluxe wrapping paper
- 3 designs, Christmas themed with personalised light branding.
 - 12 themed tags
 - Cover message sheet
- All presented in a cellophane bag.

HOW IT WORKS

At present, the cost of creating and selling a Christmas Card pack can be prohibitive as the print runs normally needed are out of budget for a lot of charities. This means that the funds and message awareness gained through this form of product are lost to the smaller organization.

Doggett Group, being a large producer of printed materials are offering Christmas Card packs at a greatly discounted rate. The BIG draw is that they will be branded with your organisation's name and will be extremely attractive to the purchaser. This means you will receive all of the profits to your charity and the important thing is that your message can be seen by thousands of people.

EASY ORDERING

- 1 - Pick 6 designs - or you can use your very own design!
- 2 - Insert your special greeting/message on the inside of the card
- 3 - Place your contact details and logo on the back of the card
